Points will not be awarded to competitors disqualified (DNQ) from the meeting by race organisers.

Competitors disqualified from the event shall be deemed to have not competed in the event.

#### SCORING of RACES within a POINTSCORE ROUND:

Normally a minimum of three scratch races for each Group S categories (Sa, Sb and Sc) will be scheduled although scoring can accommodate variations in the number of Group S races as follows:

1. only one scratch race conducted – no points shall be scored from the round.
2. two scratch races conducted - a competitor's results from both races to count.
3. three scratch races conducted - a competitor's best two races to count.
4. four or more scratch races conducted - the fourth race and later races will not be scored - a competitor's results from the best two races from the first three races to count.

For some events such as the HSRCA Group S 'Enduro' the GSRA committee may promulgate special pointscore rules.
