# HAS ITS OWN APP

Your Team. Your App.

To help members stay in touch with what's happening in our club we are introducing the Group S Racing TeamApp.

Follow these simple steps:

- 1) Firstly download the Team App to your smartphone or tablet from the App Store (iPhone) or Google Play (Android)

- 2) To register only takes a minute, **SIGN UP** with your current email address, create a password, enter the details where prompted then check your email for confirmation.
- 3) You will have been sent an email to confirm your registration was successful.
- 4) Now you can **LOG-IN** and search for **Group S Racing**
- 5) Choose your access group (**Driver**)
- 6) You're done.  
First thing we would like is if you can create your Driver's Profile. Please follow the instructions on the next page of this pdf.

If you don't have a smartphone you can SIGN UP via the website: [groupsracing.teamapp.com](http://groupsracing.teamapp.com)

# Driver Profiles

This is best done via the Team App website.  
**groupsracing.teamapp.com**

With the driver profiles it would be great if we can keep a uniform layout for all drivers. I've attached a screen shot of the format here to help guide you.

## TEAM:
