

MINUTES - GSRA EXTRAORDINARY COMMITTEE MEETING
29 March 2006

Opening

Meeting convened at 1.00 pm 29 March 2006 – by email.

Participants: Brian Weston – President, David Withers – Vice President, Paul Newby – Secretary, Andre Breit – Treasurer, Rick Marks – Committee, and Colin Wilson-Brown – Committee and Race Numbers.

Invited Ex-officio Members: Geoff Williams – Webmaster, John Young – S CAR GO Editor, Brett Morse – Championship Pointscores, and Geoff Morse – HSRCA Group S Registrar.

Agenda

MG Racing has asked for GSRA advice on the future conduct of Group S racing at MG Racing meetings.

Propose that the GSRA Committee appoint a sub-committee of David Withers and Rick Marks to resolve with MG Racing the format of Group S races at the remaining 2006 MG Racing meetings.

The desired GSRA format is broadly along the lines outlined in the attached letter and has taken into account member responses to our questionnaire.

As background, MG Racing have a charter which requires them to provide races for MGs, conduct regularity events, provide an equal number of laps for all competitors and provide value for money. The GSRA requirements may at times conflict with this charter and for this reason the appointment of a GSRA sub-committee is recommended. The likely MG Racing delegates are Peter Whiten and Geoff Pike.

Decision

The GSRA Committee endorses the appointment of a sub-committee of Rick Marks and David Withers to resolve with MG Racing the format of the remaining two 2006 MG race meetings.
